INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
The Homeless Families Foundation (hereafter "HFF"):
Columbus, Ohio

Report on the Financial Statements

We have audited the accompanying financial statements of HFF (a nonprofit organization), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, cash flows and of functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of HFF as of December 31, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Reports on Summarized Comparative Information

We previously audited HFF's 2019 and 2018 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our reports dated August 20, 2020 and August 21, 2019, respectively. In our opinion, the comparative information presented herein as of and for the years ended December 31, 2019, as well as the summarized comparative 2018, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters – Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our reported dated September 23, 2021 on our consideration of HFF's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering HFF's internal control over financial reporting and compliance.

THE HOMELESS FAMILIES FOUNDATION

Notes to the Financial Statements
December 31, 2020 with Comparative Totals for 2019

Note 1 – Summary of Significant Accounting Policies

Nature of Organization

The Homeless Families Foundation (hereafter HFF) has worked to improve the lives and stability of impoverished children and their families since 1986. HFF's mission is to educate and nurture children while empowering families to achieve stable housing and self-sufficiency. HFF is an experienced non-profit provider, providing unique housing and education services to families, pregnant women, and transition age youth parents. Through comprehensive case management services embedded within extensive homeless and education programming, HFF assists nearly 1,000 Columbus families in achieving economic, housing and family stability. HFF is a valued community partner which regularly participates in community planning processes related to homelessness, prevention, food insecurity, education, employment, and poverty. HFF Housing, Education Center and family Stability staff have extensive experience working with people living in crisis and poverty; providing trauma-informed service/intervention designed to move families and children toward stability and well-being.

Tax Status

HFF is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for federal income taxes has been made in the financial statements.

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, HFF may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of HFF and various positions related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for the fiscal year ending December 31, 2020 and 2019.

HFF files its forms 990 in the U.S. federal jurisdiction and the office of the state's attorney general for the State of Ohio. HFF is generally no longer subject to examination by the Internal Revenue Service for years ending before December 31, 2017.

Revenue Recognition

For the periods ending December 31, 2020 and 2019, the ASU 958 (Update) has modified the revenue recognition regarding contribution, which are effective for the reporting year beginning January 1, 2019. The modified standard stipulates that a contribution is recognized as unconditional and therefore recognized as revenue if any donor-imposed conditions are met (barriers and right of return to contributor or release from obligation by the donor.) The organization believes that all contributions recognized meet the modified standard as unconditional. Those contributions that were deemed as conditional are reflected as deferred revenue as of December 31, 2020. Prior to the implementation of ASU 958 (Update) the organization was recognizing its revenue under the originally issued ASU 958.

THE HOMELESS FAMILIES FOUNDATION

Notes to the Financial Statements (Continued)
December 31, 2020 with Comparative Totals for 2019

Note 1 – Summary of Significant Accounting Policies (Continued)

Basis of Presentation

HFF has adopted Accounting Standards Codification (ASC) 2016-14, "Not-For-Profit Entities – Revenue Recognition". In accordance with ASC 2016-14, contributions received are recorded as increases in net assets without donor restrictions and net assets with donor restrictions, depending on the existence and/or nature of any donor restrictions.

HFF has also adopted ASC 958-10-65-1, "Not-For-Profit Entities – Presentation of Financial Statements". Under ASC 958-10-65-1, HFF is required to report information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions, and net assets with donor restrictions.

The governing board has designated, from net assets without donor restrictions, net assets for a board-designated endowment at the Columbus Foundation. Net assets with donor restrictions are subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, such as those that the donor stipulates that resources be maintained in perpetuity.

Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Organization, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

The Organization's unspent contributions are reported in net assets with donor restrictions if the donor has limited their use, as are promised contributions that are not yet due. Contributions of property and equipment or cash restricted to acquisition of property and equipment are reported as net assets with donor restrictions if the donor has restricted the use of the property or equipment to a particular program. These restrictions expire when the assets are placed in service. Net assets with donor restrictions are further delineated in Note 3.

Accrual Basis

The financial statements of HFF have been prepared on the accrual basis. The statement of activities is a statement of financial activities related to the current reporting period.

Depreciation

Expenditures for equipment and furnishings, and expenditures for repairs that extend the life of the asset of over \$2,500 are capitalized at cost or fair market value at the date of donation in the case of gifts.

For buildings, furniture, fixtures and autos, depreciation is charged on a straight-line basis over the estimated useful lives of the assets.

THE HOMELESS FAMILIES FOUNDATION

Notes to the Financial Statements (Continued)
December 31, 2020 with Comparative Totals for 2019

Note 1 – Summary of Significant Accounting Policies (Continued)

Cash Equivalents

For purposes of the statements of cash flows, cash equivalents include time deposits, certificates of deposit, and all highly liquid debt instruments with original maturities of three months or less.

Use of Estimates

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management on a reasonable basis that is consistently applied.

For the years ended December 31, 2020 and 2019, HFF has elected to utilize the 10% de minimis indirect cost rate applicable to federal funding. De minimis costs are allocated amongst Program expense line items, and are reflected in total on the Schedule of Expenditures of Federal Awards.

Donations

Donations received are recorded as net assets without donor restrictions, or net assets with donor restricted support, depending on the existence and/or nature of any donor restrictions.

All donor-restricted support is reported as an increase in Net Assets with Donor Restrictions. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the restricted net assets are reclassified to Net Assets Without Donor Restrictions and reported in the statement of activities as net assets released from restrictions.

Note 2 – Long-Term Debt

During a prior year, HFF entered into a line of credit agreement with Park National Bank. The line permits the organization to draw up to \$235,000 and is due April 27, 2022, and as such, is classified as long-term debt on the statement of financial position. The note carries an interest rate of 5.45% and is collateralized by the current assets of the company.

THE HOMELESS FAMILIES FOUNDATION

	<u>\$228,152</u>	<u>\$2,013,335</u>	<u>\$(1,804,480)</u>	<u>\$437,007</u>

Changes in pledge value of \$5,844 on restricted grants included on the statement of activities are included as a reduction of Restrictions Satisfied above.

Note 4 – PPP Loan Forgiveness

On April 22, 2020, HFF received \$281,212, from the Small Business Administration (SBA) through the Paycheck Protection Program (PPP). Prior to year-end, HFF was notified that the loan had been forgiven in its entirety as it was spent in accordance with SBA requirements. As of December 31, 2020, the entirety of the loan is reflected as income on the Statement of Activities.

THE HOMELESS FAMILIES FOUNDATION

Notes to the Financial Statements (Continued)
December 31, 2020 with Comparative Totals for 2019

Note 5 – Liquidity

The following reflects the organization's financial assets as of the date of the statement of financial position. Financial assets at year-end are reduced by amounts not available for general use due to donor-imposed restrictions that will not expire within one year of the financial position date. Donor restricted amounts that will become available for general use within the year subsequent to December 31, 2020 and 2019 are detailed below:

	<u>2020</u>	<u>2019</u>
Financial Assets At Year End	\$3,582,186	\$1,958,466
Portion of AEP Pledge Receivable		
Due 2022, and 2021 & 2022, respectively	<u>(98,139)</u>	<u>(194,156)</u>
Financial Assets Available for Use Within 1 Year	<u>\$3,484,047</u>	<u>\$1,764,310</u>

The Organization defines financial assets as Cash, Gift Cards, Accounts Receivable, Pledges Receivable, and Funds Held by The Columbus Foundation.

	<u>2020</u>	<u>2019</u>
Cash	\$2,376,622	\$1,126,098
Gift Cards	9,404	13,878
Accounts Receivable	826,045	366,448
Pledges Receivable	198,139	294,156
Funds Held by Columbus Foundation	<u>171,976</u>	<u>157,886</u>
	<u>\$3,582,186</u>	<u>\$1,958,466</u>

Note 6 – Deferred Revenue

Deferred revenue results from HFF recognizing reimbursable grant revenue from grantors related to future rental obligations in the period in which the rental obligations are met. Accordingly, reimbursable grant revenue requested/received in the current fiscal year, pertaining to the subsequent year's rental obligations, are deferred until the period which rent is applicable. Deferred revenue of \$70,202 is reflected on the statement of financial position related to future rental obligations.

As of December 31, 2020, additional deferred revenue is reflected on the statement of financial position related to conditional grant funding. Under ASU 958 (Update), contributions for which conditions have not yet been met are not recognized as revenue. Deferred revenue of \$340,935 on the statement of financial position is related to one conditional grant. Subsequent to year-end, it was determined that a portion of this funding would be returned to the grantor based on conditions not having been met.

	<u>2020</u>
Deferred Revenue at	
Future Rental Obligations	\$ 70,202
Conditional Contributions	<u>340,935</u>
	<u>\$411,137</u>

THE HOMELESS FAMILIES FOUNDATION

Notes to the Financial Statements (Continued)
December 31, 2020 with Comparative Totals for 2019

Note 7 -- Donated Services and Materials

HFF receives donated services consisting of professional and general volunteer hours and donated materials. In accordance with Accounting Standards Codification (ASC) 958-605, the contribution of services are recognized in the financial statements if the services received (a) create or enhance non-financial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. Rates used in the calculations of the professional volunteer services are based on the average rate charged by the respective professions in the Columbus area.

A summary of donated services follows:

	<u>2020</u>	<u>2019</u>
Hope Takes Flight Fundraiser Auction Items	\$---	\$55,964
Hope Takes Flight Donated Services	---	32,489
Leasehold Improvements	---	43,229
Supplies for Families	<u>5,500</u>	<u>48,597</u>
	<u>\$5,500</u>	<u>\$180,279</u>

Donated leasehold improvements are included as a capitalized fixed asset as of December 31, 2019.

HFF has general volunteer hours for various operations. General volunteer hours have not been recognized in the financial statements because they do not meet the criteria of Accounting Standards Codification (ASC) 958-605 "Not-For-Profit Entities – Revenue Recognition". Estimated hours of general volunteer service received were 2,203 for 2020 and 6,991 for 2019. Volunteer services were put on hold for a significant portion of 2020 due to COVID-19 mandated closings and additional safety measures.

HFF also receives various small (under \$1,000) donations of food, clothing and household items. The value of these items is not reflected in these statements since it is not susceptible to objective measurement or valuation.

Note 8 – Pledges Receivable

Included in the pledges receivable balance on the statements of financial position is one grant. The AEP Foundation grant stipulated that an amount of \$300,000 to be paid over the three years subsequent to December 31, 2019. Pledges receivable are shown net of discount of \$3,983 and \$5,844 as of December 31, 2020 and 2019, respectively.

	<u>2020</u>	<u>2019</u>
Net Pledges as of December 31	<u>\$ 198,139</u>	<u>\$294,156</u>

THE HOMELESS FAMILIES FOUNDATION

Notes to the Financial Statements (Continued)
December 31, 2020 with Comparative Totals for 2019

Note 9 – Capital Lease

In October 2015, HFF entered into a capital lease for two copiers. In accordance with ASC 840, the amount capitalized was the present value of future cash flows at an imputed discount rate of 4.5% (\$17,295), which approximates the fair market value of the copiers. Accordingly, the copiers contained in the capital lease are recorded in HFF's assets and liabilities.

The aforementioned-leased assets are included in the financial statements at December 31, 2020 and 2019 as follows:

	<u>2020</u>	<u>2019</u>
Equipment	\$17,295	\$17,295
Accumulated Depreciation	<u>(17,295)</u>	<u>(15,566)</u>
Net	<u>\$ ---</u>	<u>\$ 1,729</u>
Depreciation Expense	<u>\$ (1,729)</u>	<u>\$ (3,459)</u>

This capital lease was fully paid off during the year ended December 31, 2020.

During September 2018, HFF entered into a new lease for an additional two copiers. In accordance with ASC 840, the amount capitalized was the fair market value of the copiers, which was determined at \$9,684. Accordingly, the copiers contained in the capital lease are included as fixed assets on HFF's statement of financial position. The corresponding capital lease payable includes the present value of the prepaid maintenance fees calculated at \$9,923, capitalized assets, and cash received from leasing agent.

The aforementioned leased assets are included in the financial statements at December 31, 2020 and 2019 as follows:

	<u>2020</u>	<u>2019</u>
Equipment	\$ 9,684	\$ 9,684
Accumulated Depreciation	<u>(4,842)</u>	<u>(2,905)</u>
Net	<u>\$ 4,842</u>	<u>\$6,779</u>
Depreciation Expense	<u>\$ (1,937)</u>	<u>\$ (1,937)</u>

The following is a schedule by years of future minimum payments required under the lease obligation:

<u>Year Ending:</u>	
2021	7,500
2022	7,500
2023	<u>5,000</u>
	\$20,000
Imputed interest	<u>(5,222)</u>
Present value of future minimum lease payments	<u>\$14,778</u>

HFF has elected to recognize imputed interest using a straight-line method, which does not materially differ from the GAAP-prescribed Interest Method (ASC 835-30-20).

THE HOMELESS FAMILIES FOUNDATION

Notes to the Financial Statements (Continued)
December 31, 2020 with Comparative Totals for 2019

Note 10 – Lease Commitments

Program Facilities

During 2020, HFF entered into multiple master leases for housing units, which are utilized for program participants under the Organization's housing programs. These master leases each call for one-year terms, with various monthly rental payments. Future minimum lease payments are as follows:

<u>Lessor</u>	<u>Year-Ended December 31, 2021</u>
Capital University	\$191,464
Kenmore Youth Housing LLC	69,453
13 th & Indianola LLC	<u>27,904</u>
	<u>\$288,821</u>

Vehicles

During 2020, HFF entered into multiple leases for Organizational vehicles. The terms of the various leases are as follows:

Beginning January 1, 2020, HFF entered into a vehicle lease. The lease term runs for 36 months, and calls for monthly payments of \$770. Beginning March 1, 2020, HFF entered into two additional vehicle leases under the same lessor. Each lease term runs for 36 months, and calls for monthly payments of \$479 and \$467, respectively. Future minimum lease payments for leased vehicles are as follows:

<u>Year End Date</u>	<u>Minimum Payments</u>
December 31, 2021	\$20,592
December 31, 2022	20,592
December 31, 2023	<u>1,892</u>
	<u>\$43,076</u>

Note 11 – Defined Contribution Plan

HFF established a qualified 401(k) Defined Contribution Plan beginning January 1, 2006. All employees are eligible to participate the first day of the month following the date they become 21 years of age and obtain 6 months of employment. Employees may elect to defer a portion of their compensation for contribution to the plan. HFF as the employer will contribute 50% for every dollar of employee elective deferrals up to a total employer contribution totaling 2% of the employee's annual compensation. The plan includes the following vesting schedule:

Less than 1 year of service:	0% vested
1 year of service:	25% vested
2 years of service:	50% vested
3 years of service:	75% vested
4+ years of service:	100% vested

HFF's total contributions to the 401(k) Defined Contribution Plan totaled \$17,135 and \$14,387 for the years ended December 31, 2020 and 2019, respectively.

THE HOMELESS FAMILIES FOUNDATION

Notes to the Financial Statements (Continued)
December 31, 2020 with Comparative Totals for 2019

Note 12 – Fair Value of Assets

HFF adopted Accounting Standards Codification 825 “Financial Instruments” (ASC 825). ASC 825 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value and gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 825 are as follows:

Level 1 Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Fund has the ability to access at the measurement date;

Level 2 Inputs other than quoted prices that are observable for the asset or liability either directly or indirectly, including inputs in markets that are not considered to be active;

Level 3 Inputs that are unobservable.

Inputs are used in applying the various techniques and broadly refer to the assumptions that market participants use to make valuation decisions, including assumptions about risk. Inputs may include price information, volatility, statistics, specific and broad credit data, liquidity statistics, and other factors. A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. However, the determination of what constitutes “observable” requires significant judgment by management. Management considers observable data to be that market data which is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by independent sources that are actively involved in the relevant market. The categorization of a financial instrument within the hierarchy is based upon the pricing transparency of the instrument and does not necessarily correspond to the manager’s perceived risk of that instrument.

In making the aforementioned valuations, management will consult with their brokers, investment managers and various other entities in analyzing data which determines fair market values.

Fair values of assets measured on a recurring basis at December 31, 2020 are as follows:

	Fair Value	Quoted Prices In Active Markets For Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Funds held by The Columbus Foundation	\$171,976	---	\$171,976	\$---

Fair values of assets measured on a recurring basis at December 31, 2019 are as follows:

	Fair Value	Quoted Prices In Active Markets For Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Funds held by The Columbus Foundation	\$157,886	---	\$157,886	\$---

THE HOMELESS FAMILIES FOUNDATION

Notes to the Financial Statements (Continued)
December 31, 2020 with Comparative Totals for 2019

13 – Funds Held by The Columbus Foundation

In a prior year, HFF transferred assets to The Columbus Foundation, a federated fundraising organization, to establish a fund for HFF's own benefit. It is the hope of HFF that other individuals, organizations and corporations will also add to the fund. The fund shall be administered subject to all the terms and conditions as provided for in the Articles of Incorporation and Code of Regulations establishing the Columbus Foundation. As a component fund of The Columbus Foundation it is subject to the variance power of the board of The Columbus Foundation but because HFF established the fund naming itself as the sole beneficiary the funds belong solely to HFF and, accordingly, are reflected as an asset in the financial statements. The entire fund may be distributed to HFF with the approval of at least a two-thirds majority vote of the board of HFF. Accordingly, the fund is included in Net Assets Without Donor Restrictions. The fund is carried at its fair market value of \$171,796 and \$157,886 at December 31, 2020 and 2019, respectively. Activity in this fund is as follows for the years ended December 31:

	<u>2020</u>	<u>2019</u>
Beginning Balance at January 1:	\$157,886	\$117,027
Contributions	---	17,178
Withdrawals	---	---
Interest and Dividends	3,909	4,101
Administration Fees	(667)	(545)
Unrealized/Realized Gains and Losses	<u>10,848</u>	<u>20,125</u>
Ending Balance at December 31:	<u>\$171,976</u>	<u>\$157,886</u>

Note 14 – Concentration of Business Risk

HFF has concentrated its credit risk for cash by maintaining deposits in banks located within the same geographic region. During 2020 and 2019, HFF's cash accounts were insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per banking institution. HFF has amounts on deposit in excess of the insured limits. HFF does not deem there to be a significant risk associated with the deposits in excess of insured limits given the reputation and financial stability of the banking institutions. HFF continuously reviews and manages their banking relationships to mitigate any risks associated with deposits in excess of insured limits.

HFF donors are located primarily in the Central Ohio area.

During 2020, HFF received \$1,877,480 (approximately 30% of its revenues) from The Community Shelter Board, through multiple federally funded grant programs. Despite this concentration of revenue, the programs are diversified, and a failure to renew any single CSB-funded grant component would not directly impact the remaining grants or programs. Additionally, HFF received \$1,240,100 (approximately 19% of its revenues) from The Bezos Day One Fund.

During 2019, HFF received \$772,407 (approximately 23% of its revenues) from The Community Shelter Board through multiple federally funded grant programs, and \$526,627 (approximately 16% of its revenues) from a Franklin County TANF grants.

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED DECEMBER 31, 2020**

Note 1 – Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of HFF under programs of the federal government for the year ended December 31, 2020. The information in this schedule is presented in accordance with the requirements of the Office of Management and Budget (OMB) Compliance Supplement. Because the schedule presents only a selected portion of the operations of HFF, it is not intended to and does not present the financial position, changes in net assets or cash flows of HFF.

Note 2 – Summary of Significant Accounting Policies

The Schedule has been prepared on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. HFF has elected to use the 10% de minimis indirect cost rate for the year ended December 31, 2020.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
The Homeless Families Foundation (hereafter "HFF")
Columbus, Ohio

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of HFF (a nonprofit organization), which comprise the statement of financial position as of December 31, 2020 and 2019, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 23, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the HFF's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of HFF's internal control. Accordingly, we do not express an opinion on the effectiveness of HFF's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies, and therefore material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses or significant deficiencies.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether HFF's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR
EACH MAJOR PROGRAM; REPORT ON INTERNAL CONTROL OVER
COMPLIANCE; AND REPORT ON SCHEDULE OF EXPENDITURES OF
FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of
The Homeless Families Foundation (hereafter "HFF")
Columbus, Ohio

Report on Compliance for Each Major Federal Program

We have audited HFF's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of HFF's major federal programs for the year ended December 31, 2020. HFF's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of HFF's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about HFF's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of HFF's compliance.

Opinion on Each Major Federal Program

In our opinion, HFF complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2020.

Report on Internal Control Over Compliance

Management of HFF is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered HFF's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of HFF's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of HFF as of and for the year ended December 31, 2020, and have issued our report thereon dated September 23, 2021 which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

**NOTES TO FINANCIAL STATEMENTS
December 31, 2020**

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Part A:

Summary of Audit Results:

1. The audited financial statements were prepared in accordance with GAAP.
2. The auditor's report expresses an unmodified opinion on the financial statements of HFF.
3. The audit of the financial statements did not disclose any reportable conditions in the report.
4. No material weaknesses were identified in relation to internal control over financial reporting.
5. No significant deficiencies were identified in relation to internal control over financial reporting.
6. No instance of noncompliance material to the financial statements of HFF were disclosed during the audit.
7. No material weaknesses related to internal control over major federal programs were identified during the audit.
8. No significant deficiencies related to internal control over major federal programs were identified during the audit.
9. The auditor's report on compliance for the major federal award program for HFF expresses an unmodified opinion.
10. There were no audit findings relative to the major federal award program for HFF in accordance with 2 CFR 200.516(a).
11. Identification of major federal programs:
 - Assistance Listing Number 14.267
 - Assistance Listing Number 93.558
12. The program tested as a major program was:
 - Assistance Listing Number 14.267
13. The threshold for distinguishing Types A and B programs was \$750,000.
14. HFF was determined to be a low-risk auditee.

Part B:

Findings at the financial statement level: None

Part C:

Findings and Questioned Costs – Major Federal Award Program Audit: None
